Event Information

The Bairnsdale Golf Club Pro-am is a professional golf tournament with a minimum total prize purse of \$15,000. The event is part of a larger "tour" of professional tournaments called the Legends Tour which is governed by the PGA of Australia. The Legends tour is a series of senior events for professionals over the age of fifty, and its common for legends of the Australian pro ranks to play.

In a Legends Pro-Am, social golfers get the chance to play a round with a professional golfer who is competing for a prize purse and effectively making a living playing golf.

The Bairnsdale Golf Club Pro-am has twice won the prestigious **Regional Pro-am of the Year Award** (2016 and 2018). This award carries significant weight as it is the professionals that play the event who vote on criteria such as organisational, course condition, catering and overall professionalism.

A red-hot **Peter Lonard** produced the first round of 59 in PGA Legends Tour history to score a remarkable victory at the Moama Masters at Rich River GC. Peter plays most of the Legends Tour events and we hope he attends our inaugural event.
